8 Hello dear Brother. This morning, about 10:00 a.m., I went into deep intercession. It wasn't long before my eyes became anointed with Holy Eye Salve. **Soon I began to see your name... Mark Smith... Over the top of your name was the number "100". The number was golden and glittered like the sun.** Revelation began to come to me and I have released an awesome spirit of prosperity over your life. This anointing is even now going into action for you and will drive back the spirit of poverty. There's much more I must tell you.

* My Dear Mark,

You have sensed a warfare that has been raging against you in the Spirit for some time now. Your prayers have been hindered and victory "physically, financially, and spiritually" has been slow to come. There have been times this year that you have even felt like throwing your hands up and giving up... but... in your heart you told the Lord "I've come too far by faith to turn back now." As I prayed for you this morning I sensed your aggravation and your desperation deep in my spirit. I knew there was a demonic warfare raging against you that was only growing worse. **Then it happened! The hand of the Lord came up me and touched my eyes.** It was like heavenly eye salve. I began to see your name as well as several others that I pray for often. Above your name was the number:

"100"

It was golden and very prominent. I knew instantly that the miracle number one hundred held a strong meaning in the spiritual faith vision. I'll tell you more about this in just a minute.

INCREDIBLY, MANY MORE OPPORTUNITIES ARE GOING TO PRESENT THEMSELVES

Mark, I know in your heart that you have wondered why you have had so much trouble and so many battles with the enemy in your life... especially in the last year or so. **You must understand that you have been growing stronger spiritually. The stronger you have become the harder you have prayed.** Perhaps, without realizing it, you have become more aggressive in the Spirit than ever before. In other words, **the devil is giving you more trouble because you are stronger in God and you are giving him more trouble.** This constant attack from old slaw foot could very well explain why you have had the relentless trouble you have had physically as well as financially. It could also explain why people who care about you have acted so ugly toward you in the past.

— OVER —

Before I say anything else I feel strongly led to tell you: "Don't give up on the brink of your miracle!" Whenever a child of God is having a battle the Lord will always send them a true prophet with a message of deliverance and breakthrough. I, Peter Popoff, have been anointed and appointed to come to your aid and release your miracle Mark. **You are right on the brink of a wonderful season of change.** Soon trouble will be turned into triumph. Together we will attack your lack and an angel of blessing will visit your house. **Very soon, Mark, you will be too blessed to ever be depressed!** What I see will require a little obedience on your part but that has never seemed to be a battle for you anyway. Since the first time I met you I picked up on the fact that you are a "spiritually minded" man and that you understand how to get a blessing released by obeying a prophet and using your faith in God.

ARE YOU READY?

As I meditated on the "Spiritual Faith Vision" I received at 10:00 a.m. this morning the thing that stood out most to me was the number "100" that the Lord showed me over the top of your name. The more that I sought the face of the Lord concerning this, the more I realized that it represented a "time and a season of blessing and breakthrough" for you. **The golden number one hundred symbolizes an appointed season of miracles and change that I have been anointed to release over your life** as you obey the holy instructions I must give you. Before it can happen however, your eyes must become supernaturally anointed to see your future... especially the next 100 days! The anointing is very strong as I share these words with you. Can I stop for just a moment to prophecy to you? I simply must do this.

"For yea my Son, have I not said; Believe in the Lord your God... so shall you be established... believe my prophets... so shall you prosper? Know this day that I have anointed my servant and your friend Peter Popoff to release a season of supernatural intervention in your life as you obey. If you will but dare to move in faith and obedience, your eyes shall be anointed with Holy Eye Salve and you shall see the salvation of the Lord. The next 100 days shall be a time of divine visitation and the strongholds of the enemy shall be broken, saith the Lord. Intervention angels shall be dispatched on your behalf and what has been impossible shall become possible to you. Do not give place to fear or doubt in your heart. Stand strong upon My Word, obey my prophet, and see the salvation of the Lord over the next 100 days."

ARE YOU PREPARED TO TAKE PROPER ACTION....?

Mark, the Holy Bible says; **"one can chase a thousand devils but TWO can set ten thousand devils to flight!"** When you come into agreement with a real man of God who knows how to touch Heaven with his prayers the power level goes up ten times! I have spent the better

go on to P. 3

part of my life praying power-prayers over my prayer partners and releasing blessings that simply change their lives forever. **NOW YOUR SEASON HAS ARRIVED!** If you will boldly turn your faith loose and follow the Word of the Lord, the next 100 days will be a season of healing and blessing like no other time in your life. It might come through a "divine transfer". The spirit of winning may come upon you. Something legal may break and turn your direction over the next 100 days. The spirit of finding may overtake you and your ship will come in. Someone who has stolen from you in the past may have to restore. Like I told you earlier in this letter... the number 100 that I saw in my Spiritual Faith Vision this morning stood out! It was golden and glowing when I saw it above your name. **I'm certain the "golden glow" represented supernatural money as well as a healing breakthrough.**

SO FAR... EVERYTHING THAT I'VE TOLD YOU IS TRUE...

Prophets are known for doing odd things that only the "spiritually minded" can understand. I could never send this letter to just anybody. Because I know you in the spirit, I know it will witness to you as I share the revelation. **The time has arrived! I must share the Holy Instructions I received at about 10:00 this morning.** O.K.... read them prayerfully now...

Mark's Supernatural Instructions:

* **1] First of all**, the Lord spoke to me to have you answer some "Spiritual Questions" for me. You will find them at the end of this letter on a "Season of Blessing Prayer Page" that I have enclosed. This little prayer page will stay on my spiritual prayer altar for 100 days after I receive it back from you. **I MUST KNOW HOW TO PRAY FOR YOU over the next 100 days.** Don't lay this letter aside... it's too important that I hear back from you quickly. Within 100 hours... (four days) if possible... no more.

DO THIS RIGHT NOW!

* **2] Secondly**, When the "Spiritual Faith Vision" came to me about 10:00 a.m. this morning, the first thing I knew that I must do was prepare a **packet of "Spiritual Eye Salve" that you are to anoint your eyes with.** I am only to send this to you if you obey ALL the instructions I am giving you now completely. Remember... *when you obey a Prophet you prosper*". Like the old gospel song says; "Ninety-nine and a half won't do!" The Lord is looking for complete faith and complete obedience Mark.

GOD WILL REVEAL PERSONAL SECRETS THAT ARE FOR YOU ONLY...

* **3] Lastly**, in the Holy Bible, whenever someone came to a prophet with a need they ALWAYS brought the servant of God a gift. I know that you probably can't give every time I write you

but this time **it is very important that you do what is necessary to sow a serious seed of £100.00.** This amount came to me very strong as I prayed on it. The enemy will probably really fight you concerning giving this seed but just make your mind up now that you are determined to do it. **It is a £100.00 prove-God offering for 100 days of "Supernatural Intervention"!** When you are asking God to do something for you that He has never done before, you need to do something for God that you may not have done before. If it is just impossible to get the whole amount together right away, then sow what you can and send the rest as quickly as you can. **The Lord always honors faith.** Whenever the devil tries to stop me from sowing a seed, I sow a double-portion just to spit in his eye!

When I prepared your "Spiritual Eye Salve" I decided to put it in a packet and write your name on it. When I hear back from you **I will rush it to you along with detailed Holy Instructions on how to use it** to see in the Spirit over the next 100 days. I just want the Lord to let you see what He showed me concerning your future. It is absolutely wonderful what lies ahead.

One final time I want to remind you, do not lay this letter aside. It's too important. If the enemy had his way he would stop us from coming into agreement. Don't let anything or anybody stop you from following these "Spiritual Instructions". I'll be waiting to rush you your eye salve this week.

Love to you,

your friend and personal prophet,

P.S. Never before has GOD SPOKEN like this through me!

P.S. The "Prayer Page" is enclosed in this letter. Answer the questions and rush it back to me as quickly as possible along with your seed.
