**MARK, IN 2015 YOU SHALL LAY UP
GOLD AS THE DUST OF OPHIR**

Mark Smith

United Kingdom

Dear Mark,

First things first, we must bind the spirits that hinder you... hold you... stop you. In this letter to you, I can share some things with you I can't share with others... It is in these MIRACLE answer letters that I can talk to you as my closest friend... which you truly are. Your special seed-offering of £60.00 really touched my heart and I believe it touched the heart of our heavenly Father.

A lot of things happened as I held your letter in my hand and agreed with you in prayer for your blessing of rent money and the answers you gave me to the spiritual questions I asked... This helped me understand what we are to do over the next 90 days... **to keep you moving strongly forward into this "NEW MILLENNIUM CYCLE OF BLESSING."**

This is personal... through the Spiritual Discernment God anointed me with as I held your letter I FELT SOMEONE HAS BEEN MESSING WITH YOUR EMOTIONS AND FEELINGS. Through the power of the Holy Ghost I want to "BIND" this Oppressing Spirit and the "TOTAL ILL EFFECT" it is having on your life.

BUT FIRST... let this blessing letter do what God has sent it to do. Take the Bible Gold dust... this is faith action, not just talk. The new car, new home, new job, new life... whatever you feel faith for right now... go and sprinkle just a little of this Gold dust on or in this new blessing. Place the rest of the Gold dust back in your bible... we still have some action to do. When you sprinkle this Gold dust... say this "I KNOW THERE IS NO POWER IN THIS DUST... BUT I DO RELEASE MY POWER OF FAITH IN GOD THROUGH THIS ACT AND CLAIM, YES, I STAKE MY CLAIM ON THIS NEW BLESSING, IN JESUS' NAME."

Oh, praise God, I feel this... This "NEW MILLENNIUM CYCLE OF BLESSING" anointing is about to go to work and roses shall blossom forth in your deserts.

Now back to what happened as I held your letter... This word of God came to me... "COME UNTO ME... CALL UPON ME AND I WILL SHOW YOU GREAT AND MIGHTY THINGS... for God has not given us (you) the spirit of fear... but of POWER, LOVE and a sound mind." (11 Tim. 1:7) **The "TOTAL EFFECT" of these BINDING SPIRITS must be broken.**

You are God's child and satan can't possess you... but he will try to oppress and depress you by using others to work on you. I must stand with you in breaking this power... **Whatever we bind on earth... they shall cast out devils... they shall lay hands on the sick...and they shall all recover.**

Send this BLESSING LETTER back to me immediately... I am going to pray with you that the power of this "ADVERSE SPIRIT" will be broken so you can move on into this "NEW MILLENNIUM CYCLE OF BLESSING"... Oh, praise God... He just spoke and I will obey.

God is starting a miracle for you, Mark... and **WHATSOEVER WE BIND WILL BE BOUND...** These signs shall follow them... they shall cast out devils and they shall lay hands on the sick and they shall recover...

(Mark, continued)

Now, in Jesus' name, please on the lines below answer my important questions...

TWO MORE IMPORTANT FAITH ACTS...

1. GO TO YOUR KITCHEN AND WET YOUR RIGHT HAND LIGHTLY WITH OIL... perhaps cooking oil is all you have... place the OIL PRINT OF YOUR RIGHT HAND OVER THIS ENTIRE PAGE...

I must lay my hand on yours and rebuke this hindering force... and ITS TOTAL EFFECT.

I'll have some IMPORTANT instructions... watch for them around the tenth of June... so you can continue in this FLOW OF POWER... living in God's "NEW MILLENNIUM CYCLE OF BLESSING."

2. In Jesus' name, follow the leading of the Holy Spirit in your giving... this week. **The Bible says we should never come before Him empty handed... as I go before the Throne of God on your behalf, I want to be able to remind GOD of the seed you have sown.**

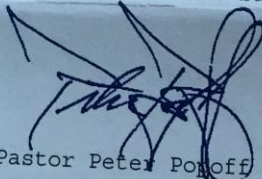

Let God speak to you... I feel if you listen there will be a leading for an offering or tithe this week of 35 pounds and 15 cents. That's the number God gave me... if you can't do that exactly... give as close to that amount as possible, please.

On these lines tell me about your problem... OPPRESSION... DEPRESSION... perhaps some loved one that has POSSESSION: _____

I feel in the spirit you have a PERSONAL MESSAGE FOR ME... it's in your heart... please don't hesitate to share this:

Now, please place your oil hand print over this entire page... fold your seed gift inside and rush this back to me... and don't forget to **MARK THE TENTH OF JUNE** on your calendar... this "NEW MILLENNIUM CYCLE OF BLESSING" continues... with awesome power.

Watching for this back right away...

Pastor Peter Popoff

There comes a time in all our lives when we must make life-changing decisions. Well, not all of them are life and death. But, many of them make the difference between failure and success, health and happiness, others prosperity or poverty. I feel there is a lesson we can all learn from these four lepers.

Because of a sickly condition, one they had no control over, they were ostracized and placed outside the city of Samaria to die alone. **How many times in life do you and I become the "victim" of circumstances that we have no control over?** The city of Samaria was under siege. The enemy had cut off all supplies and communications in and out of the city. The people in the city were slowly but surely dying.

To be cut off and cast down is one thing, but **to be willing to stay down is another.** These men found themselves between a rock and a hard place. Something or someone else may be responsible for you being in the condition you're in, but, **there comes a time in life when you must take control of your own life and chart your own destiny.** I mean square your shoulders, grit your teeth and just get "Holy Ghost mad"... and say "Enough is enough!" These men could not go back and change what had happened to them and neither can we.

You can go through life always blaming someone else for your problems. I call this a "Blame-Plan". Or, you can say, "I've had enough, it's time for a change!" I call this a "Game-Plan". These men were not only sick with leprosy but had been forsaken by the city to die. They were perfect candidates for a "Pity Party". I mean one of those down and out, cry in your beer, nobody cares attitude. You know as long as you are willing to sit still and take it... there's somebody willing to dump on you. In fact, they will stand in line to take a whack at you. **You must get in control, get in the driver's seat, and take charge of your own life...**

You can fold your hands, sit still and watch things die, or rise up, take the bull by the horns and change things.

The important thing is, regardless of what causes you to fall, you have the faith to **GET UP!** The devil likes to play with your mind and tell you, "Nothing is ever going to change, and you can't do any better." **But, he's a liar!** Don't listen to that garbage. The lepers said, "we can't go back, those bridges have been burned." **My friend, there's no way to go back, only forward.** It doesn't help to cry over spilt milk. And taking antidepressants will not ease the pain of a dead, misspent past.

Some have sat and watched their marriage die, others their relationships, some their business, and I could go on and on. I can tell you now, **it's easier to kill something than to resurrect it.** But the good news is, God will not leave you without choices. These lepers had a choice, going back to face their so-called friends, or throwing themselves to the mercy of the enemy. I can tell you now, **God has more influence over your enemies than you do your friends.** They chose to "Rise up and go." It was the "Twilight hour". That time of day when the sun is setting, the shades of night were starting to fall, but there was still enough daylight left to see their way.

Realize one thing; timing is very important with God. And, He does have a timetable for your life. They were not divided in their decision. They were in one accord. "To rise up." No liberals or conservatives... Republicans or Democrats... **They moved as one.** There is an unbelievable power that comes with unity. As they approached the enemy, God added some Holy Ghost sound effects. Every time they took a step, God made it sound like thousands of foot soldiers marching. The enemy thought they were surrounded and fled for their lives leaving food, tents and belongings behind.

The one thing that gives every person the power to rise above their circumstances is unshakable faith in God. Sometimes just saying "No" to a person or problem can save a dying situation. When others try to hold you back or down, look them in the face lovingly, smile, and say "No thank you... I'm moving on... nice knowing you..."

A Personal Word from Pastor Popoff...

As we enter into Spring, I feel God has greater things for you and this ministry. Today I want you to take a minute to write down 5 definite things you want God to help you accomplish before this year ends and I want you to share your testimony of the blessings you have received over the past year. My friend, your worst is behind you, the best is yet to come!
Waiting to hear from you,
Pastor Peter

Testimonies From Our Partners

For months I had been suffering from back and stomach pain. This pain is gone as I anointed myself with the oil. Glory to God.
--Sis. E. Melendez, Edinburg, TX

A few weeks ago you said I was going to receive possibly up to \$19,000.00 from unexpected sources. To date I have received \$8,000.00! Thanks so much for your help and prayers.
--Sis. S. Delander, Belington, WV

Since I used the miracle water and oil, the doctors told me that I don't have breast cancer, that the breast texture has changed, just something benign. Thanks Prophet Popoff.
--Sis. R. Boye, Towson, MD

I received a letter telling me that one of my school loans is erased and wiped out (18,900). This all happened after using the Miracle Spring Water. I know that the God who has wiped out one of my school loans will also wipe out all my debts and I will live debt free and stress free. Rev. Popoff thank you for your words of inspiration.

Some things you should know:

- An average of 7 out of 10 people in the United States leave no Will.
- Of the 3 in 10 who do leave Wills, 50% have written wills that could be contested in the courts.
- Each week, about 100 million dollars go into probate courts because of Americans not leaving Wills.
- The average American spends about 40 years acquiring possessions, a life time conserving possessions... but not even two hours handling the administration of possessions.

Christian Friend, will you one day be part of the sad statistics mentioned above? What have you done to be sure? Perhaps you intend to write a Will, but haven't gotten around to it yet, because it isn't a pleasant task. Listen, Satan would like nothing better than the chaos and pain you would likely leave with no Will. He wants to laugh and dance as your children and loved ones watch a probate judge very coldly divide your estate. The court, tax collector and lawyers will divide it among themselves like the soldiers did with Christ's robe! Your heirs will receive what little is left.

One more thing you should know:

With a wisely prepared Christian Will, you can avoid unnecessary taxes and costs, title to God's work and still leave heirs much more than they would receive with no Will!

*Partners should seek advice from qualified attorneys, accountants, financial and estate planners when preparing estates or making charitable gifts. Ministry is not responsible for unsolicited personal belongings such as photos and jewelry.

Brother Popoff,
Please send me the free information on preparing a Christian Will. I understand that there is no obligation.
