15th, this storm will be stopped, but
and you will enter into a new period of harm
in all areas of your life.

Why this particular date, J

This morning God shook my bed by the power of the Holy Spirit, I was awakened in a VISION. As I was in the spirit, God unveiled some of the most awesome revelations to me that directly concerned you and your family. I wanted to write these special revelations just for you...

JUST A VERY FEW DAYS
BEFORE VERY IMPORTANT
EVENTS TURN YOUR
FINANCIAL AND PERSONAL
LIFE AROUND...

Dear Brother Smith,

As you undoubtedly know, you have just passed through a period of intense, even vicious, spiritual warfare. I wrote you and told you to expect some opposition because you were getting very close to a major breakthrough in several areas of your life. **Hell is nervous because you are on the right course to a real breakthrough!**

In the VISION I could see Satan bombarding you with wave after wave of demonic assault... this explains some of your recent financial, emotional and even health problems. This assault would have continued until your spirit was totally overwhelmed if God had not, by His Spirit, drawn us together.

We absolutely must join our faith together right now, so that as of July 15th, this storm will be stopped, Satan's forces will be driven back, and you will enter into a new period of harmony, prosperity and peace in all areas of your life.

Why this particular date, July 15th, 2015?

Simply because this date will mark the beginning of 21 days of blessing for you. 21 days of happiness. 21 days of miracles!

You must understand that we must unite our faith together, in agreement, to stop these cruel waves of satanic assaults that are frustrating, poisoning and ruining your life!

I SEND YOU THESE HEALING LEAVES ACCORDING TO REVELATION 22:2

I'm so sure that you'll agree with me to take a very simple step of faith... YES... God has already given me... the right words... the right thing to do... to begin a miracle... that I have taken the liberty of sending you the enclosed Rev. 22:2 healing leaves.

Let me just tell you a few very important things about these healing leaves. God's Word says, "and the leaves of the tree were for the healing of the nations (Rev. 22:2)."

During a divine visitation, God met me in a glorious, powerful supernatural way that changed my life as I was praying under a small tree. The leaves of this tree were so charged with Holy Ghost power during this mighty visitation that they glowed with a golden aura. **Some of the leaves from this tree are mixed into the packet I've sent you. They are very precious... handle them only with care and prayer.**

I've not only prepared this anointed packet for you in obedience unto the direction of the Holy Spirit... but I have already spent time in intercessory prayer on your behalf binding hindering forces that have come against you to steal your blessings, kill your dreams, and destroy your happiness. I can already feel some victory in my soul for you.

BUT MORE, MUCH MORE IS COMING !

You've probably already noticed some small positive changes around you... Think about it...

My first steps for your breakthrough are now complete and I am encouraged because I sense deep in my spirit that... this is it! But, there are still some things left to do...

So, July 15th will begin an extremely anointed and productive period for you that you must not let pass you by under any circumstances. When the prophet Elijah experienced this, the angel of the Lord baked him a cake and he did not need to eat for forty days! The woman whom this same prophet ministered unto saw unlimited, supernatural oil flow from her container for many months in the midst of a famine. That's why **you must get ready for this supernatural move of God's Spirit in your life before July 15th!**

I sense right now through the gifts of the Spirit and this Divine Insight that God has anointed me with that the Holy Spirit has been working in your life preparing you for this move of God. I can sense that you are particularly receptive now to the prompting of the Spirit. Now, don't close up and miss what God has for you. I also see that you have some spiritual gifts that aren't operating as they should... or maybe you're not even aware of their operation in your life.

YOU MUST NOT MISS THIS!

YOUR HAPPINESS IS CLOSE BY...

I see us reaching a blessed day of VICTORY together, when we'll be able to announce your extraordinary success to everyone around you, when you will finally be free from your financial problems, all of your emotional, physical and family problems... and when everything in your life will be operating in God's perfect timing and order.

But we're not quite there yet. Before celebrating this blessed day, we need to agree together and then LISTEN to what the Spirit has to say concerning your current difficulties... then ACT IN OBEDIENCE.

Your prayer requests are heavy on my heart right now. But, Mark, what God let me see will make you happy.

* I SAW YOU BEING HINDERED BY A SPIRIT OF SOME KIND THAT WAS HOLDING YOU BACK. EVERY TIME YOU TRIED TO GET AHEAD THIS SPIRIT WOULD PUT CHAINS AROUND YOU AND HOLD YOU BACK. The person this spirit was using would work against you constantly. This spirit hindered you SPIRITUALLY, PHYSICALLY AND FINANCIALLY. THEN... I placed these Leaves of Healing in your hands according to Rev. 22:2... and told you what to do and this power was broken.

PRAISE GOD!

I also want to look for just a moment at your financial problem. This probably causes you more stress than your other problems and that's why I'm particularly sensitive to it. I must say, though, that I am getting a contradictory impression for you as I pray.

Yes, contradictory, because **I am seeing you with no financial problems whatsoever! NONE!** This probably makes you smile. What God is showing me may surprise you... but I can assure you that I rarely make a mistake about something as serious as this.

IF YOU ARE READY TO DO WHAT YOU HAVE TO WHEN I TELL YOU...

Brother Smith, so what does this VISION mean?

I believe it means that very soon you won't be bothered by financial problems anymore. That they will have disappeared, flown out of your life as if they had never existed before for you. Otherwise, what other explanation could there possibly be for what the Lord let me see in the vision?

Mark, I also feel that an opportunity to get your hands on some "real" money came to you, that this opportunity presented itself to you within the last several months. Think about it...

Look, I have to be sincere with you. When this opportunity presented itself to you, first, Satan put a spirit of uncertainty and fear in your heart so that you were afraid to move forward with boldness and grab it. Then he blinded your eyes and it slipped away from your reach. Let me say again, you were --- and still are --- going through a period of intense spiritual attack and warfare. You didn't dare to act and move quickly, and the opportunity passed you right by.

But this period has changed: from today onward you won't stand alone as you face this assault... you won't be isolated --- you and I are partners now. God has put it in my spirit to help you supernaturally recover your blessed life and destroy Satan's hindrances.

YOU CAN BE CONFIDENT IN YOUR NEAR FUTURE...

Your faith and my faith united... and then this awesome anointing that God has placed upon my life...

This new period of BLESSING will be bountiful (I can already feel it vibrating very deeply in me!). This new 21 day period of blessing

is going to begin for you at the very beginning of July 15th and will reach its peak exactly 21 days later on August 12th (*The second very important date in your life...*)

After that, you'll still see tremendous blessings, joy and divine guidance in your life and affairs through the end of 2015. God has chosen to bless you. I believe you'll learn to recognize God's miracles by this time and learn how to grab onto them and never let them go. This is your year for restoration and revival!

(We should seize the new financial opportunity that's going to come your way very soon --- TOGETHER.)

But, I've only talked about you and your financial problems... now I want to tell you what God let me see about the emotional side of your personality.

You are also in the midst of negotiating a very important turning-point in your emotional life and it concerns someone close to you.

In spite of your financial limitations, you've been able to maintain a certain bond of intimacy with this person. Now you must decide to move forward, let the past go, and embrace the new person that God will make you into. The bonds of intimacy with your true friends will increase as you do this.

It's your happiness and your future we're talking about now, and also your relationship with this person.

YES, I SEE GOD'S ABUNDANT BLESSINGS HEADED YOUR WAY. These are the blessings that Satan has tried to steal and keep you from in any way possible! But, I now DECREE in the Name of Jesus, that happiness, peace, joy and VICTORY WILL BE THERE FAITHFULLY ON TIME FOR THE APPOINTMENT WE HAVE MADE WITH THEM!

But we must act now! I believe July 15th will mark the beginning of 21 days of miraculous blessings for you. The next few days will be crucial for you as well as others who are close to you --- don't forget it!

TOTAL

I'm giving you my word, TOGETHER we can see victory! But it's absolutely imperative that you follow to the letter the instructions I'm going to give you when I answer. God has given me these secret steps of faith and the instructions that you must follow as you use these healing leaves.

I consider you one of my very closest friends and I want to help you. God has joined you and I together to get a job done and He has anointed me to help you turn back the onslaught of the enemy. Together with God's help we can do it.

IN JESUS' NAME... JESUS HAS GIVEN ME THE PERFECT FAITH ACT TO DO!

*1. Take a pen and write here in more detail exactly what caused your current trouble? And how long have you been in this situation? Has there been any change?

*2. In the Plastic Bag are the LEAVES OF HEALING according to Rev. 22:2. In Jesus' Name wear them on your body tonight... leave them inside the bag.

*3. Return the Leaves to me in the Bag TOMORROW because I must do something spiritual during my SECRET TIME OF FASTING AND PRAYER starting the 15th of July. After I hold these Leaves of Healing in prayer, I'll return them to you with HOLY GHOST INSTRUCTIONS.

* Now there is one more thing I must ask you to do: In the vision, I saw the end to your financial troubles as you PROVED GOD. Do you believe like I do that right now God can start a MANYFOLD blessing in your life? That God is going to bless you in a greater way than ever before? SAY IT WITH ME... "THE WORST IS BEHIND AND THE BEST IS MINE DURING THE REMAINDER OF 2015." Praise God, during the rest of 2015, the windows of Heaven are going to open upon your life.

Brother Smith, in Jesus' Name, thank Him with your offering. I feel led to ask you, Mark, to PROVE GOD with a £22.20 offering. If you believe that God is a God of double portion blessing, I ask you to sow a seed of DOUBLE PORTION OF £44.40 in honor of Revelations 22:2.

HEAR THE WORD OF THE LORD...

I feel this word... "FOR YEA, MY SON, THIS SHALL BE A NEW BEGINNING, BEHOLD I WILL DO A NEW THING, AND THE REST OF THIS YEAR SHALL BRING GREAT REWARDS AND BLESSINGS INTO THY LIFE. BE NOT AFRAID TO LET GO OF WHAT I HAVE BLESSED THEE WITH... FOR THIS IS THE SEED THAT I SHALL PRESS DOWN, SHAKE TOGETHER AND CAUSE TO RUN OVER AS I RETURN IT TO THEE MANYFOLD... PROVE ME NOW AND SEE MY POWER WORK FOR THEE... SAITH GOD."

Praise God, get in a hurry, RETURN PAGES 4 & 5 TO ME... AND THE LEAVES IN THE PLASTIC BAG, after you leave them on your body TONIGHT ONLY. Get it to me before my prayer time starts the 15th of July.

God just spoke to me that if you will obey God with a DOUBLE PORTION PROVE GOD OFFERING of £44.40 BY FAITH, WE CAN CLAIM A 1000 fold return. (See Deuteronomy 1:11)

P.S. If you LISTEN... ^{on} ~~keep~~ ^{keep} in mind the ~~instructions~~ ^{instructions} I've given you, you'd benefit greatly from what happens...
Waiting Here for YOUR letter.
