Mark Smith

I remember where I was standing when the Lord said "Tell Mark to STOP praying about financial needs and begin to thank Me for SURPLUS coming to the Smith family."

Mark Smith

\*Dear Mark,

I was given a very urgent message for you with specific instructions for you to follow.

Find a quiet place and let this rhema word from the Lord soak into every fiber of your being.

(God directed me to send you Deuteronomy 28:11 (AMP) in a way you may never have read it before.)

I've enclosed a 3 X 5 index card. This is not just any card... it's been prayed over just for you. It's been anointed to energize your scripture.

After you read this scripture... write it down on your anointed note card.

Confess it... memorize it... because YOU CAN manifest... beginning today!

A SERIES OF BIG CHANGES WITHIN THE NEXT 30 DAYS!

WAIT... before reading this scripture...

At this very moment I'm receiving further instructions for you... The Lord said... "Tell Mark to confess this scripture morning, noon and night for the next seven days."

Are you ready to read Deuteronomy 28:11 (AMP)?

**"And the Lord shall make Mark have a surplus of prosperity, through the fruit of his body, of his livestock, and of his ground, in the land which the Lord swore to his fathers to give him."**

Hallelujah!! Do you see how much God wants you blessed?

**"And the Lord shall make Mark have a surplus of prosperity..."**

I feel directed to have you read this portion of the verse SEVEN TIMES. Okay... go ahead... read the verse seven times right now. Glory to God!

As you read the verse... did you feel something begin to change inside of you? Did you begin to smile? Did you feel your confidence begin to soar and your expectations begin to rise?

— OVER —

When you realize this scripture is talking about you... something supernatural will begin to stir in you.

**But I must warn you. . .**

**Make no mistake about the devil...** the enemy who wants to steal God's blessings from you... will do everything possible to break your focus off Deuteronomy 28:11.

The enemy will remind you that you're struggling financially... your checking account is dwindling like a widow's cupboard... your debt is overwhelming... **BUT I want you to know... NONE OF THAT MATTERS!**

When the enemy tries to change your focus just keep reminding him of your scripture Deuteronomy 28:11.

The Lord... your Savior... your financial deliverer... your provider says that Mark Smith will have a surplus of prosperity!

**This surplus is not is not based on you... though your obedience to believe in and act on this Word from the Lord will determine whether or not you receive the surplus God has planned for you.**

What you do in the next two minutes as you read this letter... will determine your surplus.

**God wants the Smith family moving into surplus.**

Not only does your Heavenly Father want you blessed, but the Word says "...the Lord shall make Mark have a surplus of prosperity" and your "storage places will be filled with plenty." Proverbs 3:10.

Your storage places are your checking and savings accounts. Your storage places include investment accounts in your name.

**Don't let the enemy distract you...** don't let him cause you to look at things the way they are in the natural. God wants you living in the SUPERNATURAL.

**It doesn't matter what your checkbook balance was before... what matters is what you begin doing today.** *GOD WANTS YOU TO HAVE MONEY, A LOT OF MONEY!*

Andrea, a precious partner of ours, lost everything... her business... her inheritance, and she was on the edge of bankruptcy about to lose her rental home when she read a letter from me.

When I wrote Andrea and asked how much she needed, she told me \$240,000. She followed my instructions and God supernaturally gave her a home valued at \$340,000 PAID IN FULL! Andrea was also given over \$105,000 in furniture and valuables. Andrea followed the instructions from her Man of God and now she lives in surplus.

( Mark, what God did for Andrea...He will do for you because )  
He is no respecter of persons (Acts 23:18).

*gobur P. 3*

God wants you to have a surplus... for Him it's a matter of keeping His Word.

Let's look at Deuteronomy 28:11 in the Amplified Bible one more time:

***"And the Lord shall make Mark have a surplus of prosperity, through the fruit of his body, of his livestock, and of his ground, in the land which the Lord swore to his fathers to give him."***

God keeps His Word... which means He not only must but will give you a "surplus of prosperity."

When Noah and his family came off the ark, the Lord made Noah a promise in Genesis 8:22:

*"While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease."*

Do you ever doubt the changing of the season... spring, summer, fall and winter? Of course, not!

When you went to bed last night did you doubt that when you woke up... night will have turned into day?

Do you ever doubt that it gets colder in the fall and winter while getting warmer in the spring and summer?

Then we should never doubt that that seedtime and harvest work in the same way... **we must believe what the Word of God says.**

The only way we ever receive a financial harvest is when we sow a financial seed.

\*Galatians 6:7 (AMP) says: *"Do not be deceived and deluded and misled; God will not allow Himself to be sneered at... or... His precepts... set aside... For whatever a man sows, that and that only is what he will reap."*

What you sow... is what you will reap! Our surplus is based on the seed we sow.

Luke 6:38 (AMP) says: *"Give, and [gifts] will be given to you; good measure, pressed down, shaken together, and running over, will they pour into [the pouch formed by] the bosom [of your robe and used as a bag]. For with the measure you deal out [with the measure you use when you confer benefits on others], it will be measured back to you."*

**When you sow a seed... the amount of your harvest is not left to chance.** It is a guaranteed rate of return: it comes back to you in proportion to the measure you gave.

If you give a thimbleful, you will get back many thimbles full of blessing.

— OVER —

If you give a teaspoonful, you will get back many teaspoons of blessing.

But, if you upgrade your gift and start giving a shovelful, look out, because God must move up to shovels full of blessings.

**Do not be afraid of moving into the "big league" in your giving.** God has truckloads for those who give by the truckload. You see, He promises to use the same measurement as you use.

**Give a little, and you will receive a little. Give a lot, and God will overwhelm you with His blessings in return.** It's abundantly clear in 2 Corinthians 9:6 (TLB) which says: "But remember this - if you give little, you will get little. A farmer who plants just a few seeds will get only a small crop, but if he plants much, he will reap much."

**Now it's your turn to decide the kind of harvest you want to receive.**

... *SO THAT YOUR MOST SECRET WISHES MAY COME TRUE...*

\***Fifth**, lay both your hands on your anointed card where you've written Deuteronomy 28:11 and pray this prayer:

*"Heavenly Father, I rejoice you are releasing a surplus of prosperity for the Smith family.
