She touched the
Border of Jesus robe
And she was healed

Dear Mark,
I'm thinking of you today at this very minute.
Isn't this postcard of the woman touching the
hem of Jesus' garment for healing beautiful
(Mark 5:28)?

Mark, be sure and return Liz's faith
handkerchief which I mailed to you 5 days ago.

As soon as I receive it, I am going to get on my
knees in prayer for you. And, I'm going to
write back to you what the Holy Spirit shows
me. I am so happy for you and this blessing I
see coming to you.

Mark Smith
